I am a lecturer at Vilnius University Faculty of Law (Department of Private Law) since 2021. I teach Law on Obligations, Contract Law, Business Transactions.

Job-related skills

As an attorney-at-law and senior associate with the firm’s Dispute Resolution & Risk Management, and Competition & Regulatory teams, my primary focus is Shareholders’ and Corporate disputes, contractual disputes. I have significant experience in arbitration and ADR matters.

Wide ranging experience in disputes. I have considerable experience successfully advising local and international clients in a wide range of disputes in both court and arbitration proceedings, as well as negotiations and the pre-trial stage.

Expert in the arbitration field. I am on the list of recommended arbitrators at Vilnius Court of Commercial Arbitration (VCCA), the best known and most reputable arbitration institution in Lithuania and among the Baltic States. I gained experience in the arbitration field both internally while working at the VCCA and externally while representing international and national clients in arbitration proceedings. My interest and passion for arbitration started in the early years of university and is still very much alive.
